HÔTEL - RESTAURANT - SPA

TABLE DU MARQUIS

At La Table du Marquis, culinary boldness and a spirit of travel come together on every plate.

From Japan to the United Kingdom, by way of the Mediterranean and the Middle East, our diverse influences intertwine like memories gathered along the journey.

These flavours from afar meet the finest local, seasonal ingredients, some of which are grown at La Ferme de Maubreuil, cultivated according to the principles of permaculture.

Generous and vibrant, our creations are designed to be enjoyed however you prefer: shared, savoured individually, or as part of one of our set menus.

Our team will be delighted to tailor your dining experience to your pace and any dietary requirements you may have.

We wish you a wonderful culinary journey at
Château de Maubreuil.
